## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 5/27/2010 has been entered.

Claims 1-9, 12-18, 20-26 are pending.

## **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: the applicant's arguments are found persuasive to withdraw rejections under 35 USC 103(a). Upon reconsideration, the prior art does not seem to provide motivation to apply the herein claimed composition onto an area of the skin that has no lesion but has other symptoms of infection. The examiner notes that the instant claims do not recite the prevention of the infection, but the prevention of lesions (break out of herpes and pox virus infection) caused by the infection in patients already been infected.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims 1-9, 12-18, 20-26 are allowed.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to San-ming Hui whose telephone number is (571) 272-0626. The examiner can normally be reached on Mon - Fri from 9:00 to 5:00.
